BAR PACKAGES

INFO + PRICING

Our bar packages are carefully crafted to streamline your beverage planning. Choose from a range of options, including basic and premium open bar packages, as well as custom selections tailored specifically to your event.

No matter the occasion, we offer the ideal beverage package to delight your guests, featuring an unlimited selection of their favorite drinks.

Our pricing model is designed to provide better value for larger groups. As the number of guests increases, the cost per person decreases, as fixed costs are spread across more attendees, resulting in enhanced cost efficiency. Therefore, our pricing is charged per person, per hour.

Professional staff dedicated to delivering exceptional service.

A portable bar equipped with all necessary tools, utensils, glassware, coolers

A curated selection of beverages, along with fruits, herbs, garnishes and ice

Set-up and breakdown services

Transportation within a 25km radius of our headquarters
